Payment is due on the day of the infraction.

## **ATTENDANCE**

Effective learning can only take place when a child is in attendance on a regular basis. Attendance will be taken daily and students who are not present will be marked absent.

When students are absent from school, upon return, a written parental explanation stating the reason for the absence is required. Illness, death in the family, inclement weather or other emergencies deemed acceptable are considered excused.

If a student is absent for any other reason than those specified, the absence is considered unexcused.

## **LUNCH**

Parents shall provide students with box/bag lunches on Monday through Friday. TCP will provide chips and juices each day for lunch. In keeping with all other policies and guidelines of our school, it is important that our kitchen facilities be maintained and kept in excellent condition. Students are therefore expected to conduct themselves according by removing their trays or lunch containers from the desk and to be sure their area is left clean. A teacher or staff member should be present to supervise students at their designated lunch times.

## **CHAPEL PROGRAM**

The biblical aspect of our school is to enhance the spiritual development, enlightenment, and inspiration of our students. Therefore, interwoven within the overall school experience is our mandatory Chapel programs. The experience gained in these assemblies will be a part of each of our students' school experience. The weekly Chapel Service shall be held every Friday Morning 10:00 a.m. – 11:00 a.m.

## **IN SCHOOL SUSPENSION PROGRAM (ISSP)**

Any student in ISSP will be responsible for all regular classroom assignments. They will not be allowed to participate in field trips, recess or other school activities. They will lose all privileges and will not be allowed contact with the general student body. Students must report to and be dismissed directly through the main office during this time.

## **COMMUNICABLE DISEASES & CONDITIONS**

The overall health of your child is very important to all of us at The TEMPLE COLLEGE PREPARATORY SCHOOL. One of our highest priorities is to maintain a healthy school

atmosphere and environment. Therefore, it is necessary to establish guidelines that will prevent the spread of communicable diseases or conditions.

1. TCP must be immediately notified of any student or employee having a communicable disease or condition.
2. Anyone with a communicable disease or condition should not physically report to school until the condition subsides.
3. Upon returning to school, a doctor's permit is required.

**NOTE:** The TEMPLE COLLEGE PREPARATORY SCHOOL reserves the right to take any necessary steps to control the spread of a communicable disease or condition.

These communicable diseases or conditions include the following but are not limited to:

AIDS	Impetigo	Ringworm
Diphtheria	Malaria	Rubella
Encephalitis	Measles (Rubeola)	Salmonellosis
Gonorrhea	Mumps	Smallpox
Head Lice	Paralytic Shellfish	Syphilis
Hepatitis	Poisoning	Tetanus
HIV	Plague	Tuberculosis
HPV	Pinkeye	Typhoid Fever
Influenza	Rabies	Yellow Fever

### **EARLY DISMISSAL**

TEMPLE COLLEGE PREPARATORY SCHOOL realizes that for various reasons, parents or guardians may request that a student be dismissed early. In the event of early dismissal, the parent or guardian is asked to send a note by the student indicating the reason, the time of pick-up and the name and phone number of the individual picking up the student.

Early dismissal during holidays or events other than doctor appointments or emergencies will be counted as one half day absences unless permission is given by the school.

In the interest of student safety, it is required that the adult who picks up the student for early dismissal have proper picture identification.

The adult will be required to sign the student out and wait in the designated area until office personnel send for the student.

If an emergency arises during the day, and it becomes necessary for the student to leave, the parent, guardian or emergency person must sign the student out and have proper picture identification.

## GRADING SCALE

The grading system at TCP is designed so that the grades received will have a numerical value that describes the letter grade and the actual progress of each child. Grades will range from A+, A and A- through D+, D and D- (D- is the lowest unacceptable grade given by the school). Scholarship warnings will be issued and sent home each quarter for students receiving grades of D and below. A parent teacher conference will be requested for all failing students to discuss a plan for the overall success of the student.

## HOMEWORK

Homework will begin during the 2<sup>nd</sup> week of school. We believe that homework provides students with opportunities to practice and apply skills introduced and taught in the classroom. It also helps to develop effective study habits, study skills, and foster independent learning. Furthermore, it serves as a method of communicating to the parent what is being taught, how well the students work independently and whether they have understanding of the skill(s).

The time needed to complete homework assignments will vary according to grade level. However, the actual time needed to complete homework assignments will depend on the student's working speed.

Parents should:

- Inquire about homework from the child
- Provide a quiet place and time for work and study
- Provide tools such as paper, pencils, dictionaries, Bibles, reference books and other materials needed to complete assignments
- Provide assistance when needed, check to see if that assignment is completed

**NOTE:** Homework should be done by the child and not the parents. Parents should assist.

## **PARENT INVOLVEMENT**

TEMPLE COLLEGE PREPARATORY SCHOOL welcomes the active involvement from our parents and community volunteers. These services may include teaching new songs, committee work, room parent or sharing your experiences and success. We welcome you! Your time, talent, supports and example of service is vital to so much of what makes TEMPLE COLLEGE PREPARATORY SCHOOL excellent. Your involvement is essential in establishing a positive relationship with school officials and the performance of our students.

## **PARENT/TEACHER CONFERENCE**

Your involvement in your child's education is not only critical to your child's success but also to the overall quality of our school. Occasionally, you may find it necessary to meet with your child's teacher to determine how you may help your child improve in his/her behavior and/or studies.

When a conference becomes necessary, such as the issuance of a scholarship warning for example, please give prior notice by stating your concerns so that the teacher may be prepared to address them. All conferences must be held at the time and the area designated in the school. Conferences maybe scheduled as follows:

Monday	8:00 a.m. – 8:30 a.m. or 3:30 p.m. – 4:00 p.m.
Thursday	8:00 a.m. – 8:30 a.m. or 3:30 p.m. – 4:00 p.m.

**NOTE:** When you need to request a conference with the teacher, please pick up a conference request form from the main office or call to set up a conference. No conference is to exceed 30 minutes. No conferences are to be held on the school parking lot, at Faith Deliverance Worship Center, nor private phone calls or any other place other than TCP. (When having a conference, please make sure a staff member is sitting in on the conference with you).

## **PROGRESS REPORTS**

The purpose of a progress report is to keep the parent or guardian informed of their child's progress prior to the nine weeks grading period. These reports will be issued four weeks into each grading period. Progress reports must be signed by the parent/guardian and returned to the teacher within two days. Failure to return progress reports within the designated time frame may result in a parent/teacher conference.

## **REPORT CARDS**

The student report card evaluation procedure is an important aspect of the teaching and learning process. This report card allows an assessment of the student's strengths and weaknesses, indicating the student's overall progress. Report cards will be issued quarterly and must be signed and returned to the teacher within two days. This represents an official document for grades given at TEMPLE COLLEGE PREPARATORY SCHOOL. All outstanding fees must be current before any student can receive a report card. Failure to return the report card within the designated time frame will result in a parent/teacher conference.

## **PROMOTIONAL REQUIREMENTS**

### **Grades Pre K – 8<sup>th</sup>**

TCP is dedicated to providing the tools necessary to bring each student to mastery at all grade level skills. Students will be promoted from one grade to the next based on the following criteria:

1. The documented mastery of specific grade level skills as set forth by TCP.
2. Teacher evaluation and other educational assessments.

Parents will be notified by progress reports, scholarship warnings, personal letters and/or parent/teacher conferences when students are having difficulty mastering skills and are in need of remediation or in danger of being retained.

### **Grades 9 – 12**

Every student must achieve a 2.0 GPA on a 4.0 GPA scale to graduate. The 2.0 GPA is in accordance with the state law that was passed and went into effect for the 1997/98 school year

and thereafter. It is the policy of TEMPLE COLLEGE PREPARATORY SCHOOL to classify a student in the next grade, regardless of GPA, if that student has earned credits as stated below. In order for a student to obtain a high school diploma, he/she must successfully earn 24 academic credits in grades 9-12 and must have a 2.0 grade point average (GPA).

From 9 <sup>th</sup> – 10 <sup>th</sup> Grade	six (6) credits
11 <sup>th</sup> Grade	thirteen (13) credits
12 <sup>th</sup> Grade	eighteen (18) credits

A student who has earned a 1.5 GPA, which is below requirement, the parent will be notified and be required to sign a form stating they are aware of their child's failure to meet the 2.0 GPA. Since the school will not be promoting on the basis of GPA, any course with a passing grade (D or above) will be counted towards graduation and will not have to be taken again. If the course is taken again to improve GPA, the higher grade will be included on the record but no additional credit can be given.

## **RETENTION**

It is our goal that all students achieve academic success. We recognize that there may be instances where students do not perform the minimal requirement for grade level advancements.

Students who do not satisfactorily achieve performance standards as set forth by TCP for promotion will be assigned to the same grade for the next school year.

Parents will be notified in writing at any time during a grading period when it is apparent that their child may fail or is doing unsatisfactory work in any subject or grade. Unsatisfactory work is equivalent to a D and F is failing.

## **TEXTBOOKS**

TEMPLE COLLEGE PREPARATORY SCHOOL believes that in order for a student to achieve the highest learning possible, he/she must have the necessary textbooks. These books will be provided by the school for the student to use at the beginning of the school year. Textbooks are mandatory and will be the sole responsibility of the student to keep up with during the year.

If the students lose the textbooks, TCP will not be responsible for lost or damaged books. (At this time, textbooks are not taken home by the student. All homework requiring the use of textbooks will be completed during school hours.)

### **COMPUTERS**

Computers are the sole property of TEMPLE COLLEGE PREPARATORY SCHOOL (TCP) and cannot be used by students unless supervised by a TCP staff member.

### **TRANSFERS AND WITHDRAWALS**

Students transferring to TCP from another school must bring the following records from their previous school:

1. Student's Report Cards
2. Birth certificate
3. Social Security Card
4. Health Records (Current Shot Record)

The above records will be sent to the receiving school for student's withdrawing if tuition and other financial obligations have been met. All books and materials of TCP shall remain at the school. **Note:** Please note that any other information needed in transferring to another school can be requested by that school's administrator.

### **TRANSPORTATION**

Parents/guardians are responsible for transporting children to and from school. Special areas are designated for drop off and pick up. Parents should inform the main office if their child(ren) will be picked up or dropped off by any person other than the parent/guardian.

### **UNSCHEDULED SCHOOL CLOSINGS**

To insure the safety of our students, faculty and staff, there maybe unscheduled school closings due to the following reasons:

1. Hurricanes
2. Floods
3. Tornadoes
4. Damage to Structure
5. Other threats that may be deemed as a safety hazard by the school administrator and local City Officials.

In the event of these occurrences, listen to your local television or radio station or call the school for a recorded message.

### **PRIVATE PAY TUITION**

Tuition rates are determined yearly and may be paid at TEMPLE COLLEGE PREPARATORY SCHOOL using one of the payment plans listed below:

**Annual Payment:** Tuition may be paid in full at registration before the school year begins.

**Bi-Annual Payments:** One-half is due on the 1<sup>st</sup> day of school and the other half is due the 1<sup>st</sup> week of January after Christmas Break.

**Monthly Payments:** Payments will be paid in nine (9) installments with the first beginning in September. Payments are due on or before the 1<sup>st</sup> of the month and are considered late after the 5<sup>th</sup> of each month. A late fee of \$20.00 will be charged for any payment more than five (5) days late. If tuition is more than 60 days late, students will not be allowed to attend class until payment is current.

**Refunds:** All registration fees and tuition fees are non-refundable/non-transferable.

**Post-dated Checks:** Post dated checks will not be accepted.

**Payment:** Payments will be accepted in the form of Cash, Cashier's Check or Money Order.

**No report cards or records will be released for anyone owing fees. Tuition fees are non-refundable.**

## DISCIPLINE POLICY

Temple College Preparatory Discipline Policy shall consist of the following standards:

- 1) Use C.H.A.M.P.S. standards as a benchmark for student behavior, activities and movement.
- 2) Give teachers a plan of action to enforce, maintain and establish creating a structured environment that will result in more teaching time and less discipline issues.
- 3) Teach each student social skills that will carry on long into adulthood.

Events That Happen Before Behavior Occurs:

Slow Triggers: Oversleeping, No Breakfast, Forgot Medication, Conflict With ...

Fast Triggers: Medical/Health, Curriculum/Instructional – Example: Assignment too difficult/too easy, Teasing/Sarcasm, Challenged by Other(s)

Classroom Daily Discipline Protocols – Step-By-Step:

First Offense – Give the child a Verbal warning Explain that if behavior is repeated their will be a time out. Attached is a behavior journal that if the teacher chooses, can give the child to fill out so that the child begins to learn the discipline of thinking about their decisions and that there consequences and rewards for every decision made.

Second Offense – Follow through with what the child was told would happened if the repeated the offence. If they were told they would not be able to play on the play ground, follow through. If they were told that they would have to go to time out and fill out a “Behavior Journal,” follow through. If they were told to go set in a time out for 10-15 minutes, follow through. Just be consistent with what you told the child and make sure it is age appropriate and make sure the discipline fights the action.

Third Offense – Parent Notification via phone call by the teacher, send a note home from the teacher, write down problem in planner for parent to read or sign. Make sure the parent is aware of the problem. Document and communicate so the parent is not shocked to see their child is suspended for 3 or more days. Parent contact and documentation is a must.

Fourth Offense – Student goes home for the recommended days; principal is notified and involved in this interaction.

# **CODE OF STUDENT CONDUCT**

## INTRODUCTION AND PHILOSOPHICAL BASIS

Instruction should occur in an environment that is conducive to learning. Good order and discipline are essential to effective instruction and to the ability of students and school personnel to work cooperatively toward mutually recognized and accepted goals. The rules outlined in the Code are designed to ensure that this primary reason for the existence of school is achieved. Any behavior that prevents learning from taking place is unacceptable and will result in the appropriate consequence.

To assist students, parents, administrators, and school personnel in maintaining such an environment, the Code of Student Conduct will:

- ❖ Identify classifications of violations and describe procedures for disciplinary actions
- ❖ Identify formal disciplinary actions
- ❖ Standardize procedures for administering formal disciplinary actions
- ❖ Describe roles of the home, student, school and school personnel
- ❖ Describe rights and responsibilities of all students and parents
- ❖ Outline general code of appearance
- ❖ Describe rights of disabled students relating to discipline
- ❖ Inform parents and students of the Internet Safety and Acceptance Use Agreement

It is the responsibility of both students and parents to know the rules of the Code and to support the fair and impartial administering of the rules. With age and maturity, students will be expected to assume greater responsibility for their actions. Students are responsible for accepting the consequences for actions that may violate the Code of Student Conduct.

It is the responsibility of school personnel to be aware of the specifics of the Code of Student Conduct and to apply them appropriately. It is the responsibility of the school to convey information regarding individual school policies and procedures to students and parents via a school planner or through other appropriate means.

The TEMPLE COLLEGE PREPARATORY SCHOOL and The Board of Directors are responsible for ensuring that the Code of Student Conduct of Student Conduct and the consequences for the identified violations are legal and fair. The Board is also responsible for conveying to the community and parents/guardians, that once these conditions are met, the actions taken by the school will be supported for the good of the school and the community as a whole.

**PARENTS ARE REQUIRED TO READ, SIGN AND RETURN TO THE TEMPLE COLLEGE PREPARATORY SCHOOL THE DOCUMENTS THAT APPEAR AT THE END OF THE BOOK.**

## CLASSIFICATIONS OF VIOLATIONS

Violations of the Code of Student Conduct are grouped into four classes:

- ❖ Minor                      Class I
- ❖ Intermediate              Class II
- ❖ Major                      Class III
- ❖ Zero Tolerance            Class IV

Each classification is followed by a disciplinary procedure that is to be implemented by the principal/designee.

It is understood that when a violation of the Code of Student Conduct occurs, the student's explanation shall be heard by the principal/designee before determining the classification of the violation. The principal or designee will review each case individually before assigning consequences. State Board of Education Administrative Rules 6A.3.0171(2a) describes responsibilities of the school principal or other designated staff.

Classroom teachers will address general classroom disruptions by taking appropriate in-class disciplinary actions. These include, but are not limited to, personal calls to parents, parent/teacher conference, referral to a guidance counselor, etc. If such measures do not desist the disruption, a disciplinary referral is appropriate. (Failure to bring notebook, pencil, books, required materials and equipment to class, or failure to work in class, are not cause for disciplinary referrals.)

***NOTE I: Repeated violations of the Code of Student Conduct in school and/or on the school bus will be considered willful disobedience and/or open defiance of authority resulting in possible suspension or expulsion from school and/or the school bus for the remainder of the school year or a specific period of time.***

***NOTE II: There shall be no type of hazing during any school sponsored event, club, organization or class within the school or off-campus. Hazing shall be defined as any action or situation for the purpose of initiation or admission into or affiliation with any organization operating under the sanction of the school which recklessly or intentionally endangers a student's mental or physical health or safety. Acts of hazing shall be addressed and will result in the appropriate consequence being administered in accordance with the Code of Student Conduct.***

***NOTE III: Federal and state laws grant individuals reasonable expectations of privacy and freedom from unreasonable search and seizure of property. Such guarantees are not unlimited and must be balanced by the school's responsibility to protect the health, safety and welfare of all students. Students may be subject to search of person or property if a reasonable suspicion exists that the student may have violated the Code of Student Conduct or state or federal law. Be advised that, upon reasonable suspicion, student lockers and other storage areas (including, but not limited to, motor vehicles, book bags, pocketbooks, notebooks, pockets, etc.) may be searched.***

**NOTE IV:** *Be advised that students will be held responsible for prohibited items in their personal control, such as items located in vehicles, book bags, clothing or items belonging to someone else.*

All students who misbehave while riding the bus or van will be disciplined according to the Code of Student Conduct.*

*A transportation suspension is separate from a school suspension and applies only to the loss of riding privileges unless subject to other disciplinary actions, such as out-of-school suspension. Students are required to attend school. Transportation suspension does not affect or excuse school attendance.*

Students who damage school property, a school bus/van or equipment shall be subject to disciplinary action according to the Code of Student Conduct.*

**NOTE X:** *The TEMPLE COLLEGE PREPARATORY SCHOOL may expel a student from school based on grounds specified in the Code of Student Conduct. Commission of a Class IV offense will necessitate a disciplinary conference with the principal/designee and a parent/guardian. The student will be suspended for ten (10) days.

**NOTE:** A student who has been suspended or expelled from school and returns to any TEMPLE COLLEGE PREPARATORY SCHOOL property without being authorized to do so is considered to be trespassing and is subject to arrest.

## Criminal Offenses

Students who commit criminal offenses will be referred to the appropriate law enforcement agency in addition to action taken by the school.

### Exceptional Education Students

An exceptional education student (other than gifted) who engages in a Class IV offense may be suspended from school or school-transportation for up to three (3) days, pending a Conduct Review meeting. The purpose of the Conduct Review meeting is to determine whether the violation committed by the student is a manifestation of the specific disability. **If the Conduct Review committee determines that the offense was not a manifestation of the student's disability, the student may be disciplined in the same manner as a student without a disability.** If the Conduct Review committee determines that the offense was a manifestation of the student's disability, the student shall be referred back to the school for appropriate behavioral planning through an IEP conference. Provisions for expulsion, which is a change in placement, invoke procedural safeguards ensured by state and federal statutes.

## Definitions Relating to Formal Disciplinary Actions

The following are examples of formal disciplinary actions that may or may not be used in each school. Students and parents/guardians who desire to have further information about the disciplinary actions used in specific schools should contact officials.

- ❖ **Before/After School Detention** – Assignment to a designated area on campus at the beginning or end of the regular school day for a specific period of time.
- ❖ **Behavioral Contracts** – A contract entered into between a teacher or administrator and a student and his/her parent/guardian in which all parties agree to certain actions in an attempt to modify a student's behavior. The contract shall also contain consequences for breaking the agreement.

TEMPLE COLLEGE PREPARATORY SCHOOL may expel a student from school based on grounds specified in the Code of Student Conduct. "Expulsion" means the removal of the right and obligation of a student to attend a school under conditions set by the school, and for a period of time not to exceed the remainder of the term or school year and one (1) additional year of attendance. Expulsions may be imposed with or without continuing educational services and shall be reported accordingly.

- ❖ **In-School Suspension** – Assignment to a designated area within the school when a student is removed from the regular school program for a specified period of time.
- ❖ **Network/Internet Suspension** – Certain technology-based infractions may result in a suspension of network and/or Internet access. Alternative instructional materials may be provided.

## **PROCEDURES FOR ADMINISTRATION OF FORMAL DISCIPLINARY ACTION**

When a formal disciplinary action is required, the principal/designee will make every reasonable effort to contact the parent/guardian immediately. If telephone contact cannot be made, written notice will be sent home with the student, or placed in the U.S. Mail within twenty-four (24) hours.

**It is the responsibility of the student to notify and/or deliver to his/her parent/guardian all written communications from the school. Failure to do so may result in further disciplinary action.**

When disciplinary action reaches the level of denial of educational participation, the following procedural steps shall be adhered to in order to protect the rights of the student.

### **Suspension**

The student shall be given notice of the charges against him/her and shall be given the opportunity to present his/her explanation of the situation before any action is taken.

When a suspension is necessary, the principal/designee will make every reasonable effort to contact the parent/guardian immediately. Written notice shall be sent to the parent/guardian via **U.S. mail within twenty-four (24) hours**, regarding the reason disciplinary action was taken. Generally, a notice and a conference should precede the student's suspension from school. However, if the immediate suspension of the student is justified because the student's presence endangers others, school property, or would seriously disrupt the orderly academic process, the mailed notice will follow as soon thereafter as is practical. The parent/guardian may request a conference with the principal/designee regarding the suspension.

Exceptional education students (other than gifted) may be suspended for up to three (3) days at one time. In order to be suspended, an exceptional education student (other than gifted) **must have an IEP that includes suspension as a disciplinary alternative**. **In an emergency situation, a student whose IEP does not include suspension may be suspended for up to three (3) days, provided an IEP meeting is scheduled within that period of time.**

## **Class IV Offenses**

The principal is initially responsible for determining that an offense has been committed. In investigating such incidents, the student will be given, in writing, the pending charges and an opportunity to admit or refute those charges. It should be noted that any statement the student makes might be used, with other documentation, to prove whether the student is guilty of the offense(s) charged.

The principal will review the above documentation with the parent/guardian. If, at the disciplinary conference, the principal concludes that extenuating circumstances exist, the student is eligible for admission back into school following the determination of appropriate disciplinary action to be taken.

**Expulsion** – Removal of the right and obligation of a student to attend a school under conditions set by TEMPLE COLLEGE PREPARATORY SCHOOL for a period of time not to exceed the remainder of the school year and one (1) additional year of attendance.

TEMPLE COLLEGE PREPARATORY SCHOOL may expel a student from school based on grounds specified in the Code of Student Conduct. Expulsion means the removal of the right and obligation of a student to attend school under conditions set by the school board and for a period of time not to exceed the remainder of the term or school year and an additional year of attendance. Expulsions may be imposed with or without continuing educational services and shall be reported accordingly. TEMPLE COLLEGE PREPARATORY SCHOOL has the sole authority to expel students pursuant to Florida Statute 1006.07.

## **FELONIES COMMITTED BY STUDENTS**

Following appropriate due process procedures, a student convicted of a felony or delinquent act that would be a felony if committed by an adult, whether it occurred on or off the school property, may be assigned to an alternative program or receive alternative educational services. Such assignment may be made upon determination that the student is eligible according to federal and state program criteria, and:

- ❖ The nature of the offense is such that the student poses a threat to safety of other students or personnel at school,
- ❖ The student's safety is at risk by remaining in school with other students, or
- ❖ An alternative education placement will better meet the academic, social and emotional needs of the student.

## Tardiness and Early Check Out

### Policy

The parent of a child of compulsory age is responsible for the child's daily attendance. Non-attendance for instructional activities is established by an accumulation of tardiness, early check outs and absences for all or any part of the school day.

For learning activities to be fully effective, it is reasonable to require that each student arrive to class on time and remain for the entire scheduled school day. A student who is tardy to class or who is checked out early not only places his or her learning in jeopardy but also interrupts the learning of other students.

1. Tardiness is defined as the physical absence of a student in the classroom at the beginning of a regularly scheduled session at which he or she is scheduled to be present when the school tardy bell rings.
2. Early check out is defined as a parent or guardian signing out a child before the end of the day.
3. A parent shall notify the school as to the reason for the tardiness or early check out. Justifiable reasons shall be determined by the principal.
4. School shall establish procedures for early check outs that ensure students are treated consistently. A student should not be released within the final forty-five (45) minutes of the school day unless the principal/designee determines it is an emergency or an excused event.
5. TEMPLE COLLEGE PREPARATORY SCHOOL will provide written notice to parents after three (3) tardies or three (3) early check outs within thirty (30) days. Additional tardies or early check outs will result in the following interventions:
  - a. Referral to the Attendance Intervention Team
  - b. At the principal's discretion, assignment to program as detailed in Student Code of Conduct.
6. Students will not be recognized by the school for perfect attendance when they have three (3) or more unexcused tardies or three (3) or more unexcused early check outs.
7. Six (6) unexcused tardies or six (6) early check outs in any forty-five (45) day grading period will result in the student and their parents being referred for the following interventions:
  - a. Referral to the Attendance Intervention Team
  - b. At the principal's discretion, assignment to program as detailed in Student Code of Conduct.
8. If it is determined that the parent is the cause of the chronic tardiness or early check out without an acceptable excuse, then a referral shall be made to the State Attorney's Office. For the purpose of this policy, tardiness and early check out without an acceptable excuse are seen as a violation of 1003.21 F.S. (compulsory attendance).
9. A parent or guardian may appeal an unexcused tardy or unexcused early check out if the parent or guardian has documented proof of a student's chronic illness as a reason for the tardiness or early check out.

If a student feels there is a problem or feels uncomfortable with the information someone is transmitting to them, the student should tell his/her teacher, school site administrator or technology representative immediately.

There are various forms of electronic communications available on computer networks, including the Internet. At this time, TEMPLE COLLEGE PREPARATORY SCHOOL does not have a way to monitor all forms of student electronic communication. Therefore:

- ❖ Individual student e-mail accounts, instant messaging, chat rooms, bulletin boards, and other forms of electronic communication are not considered authorized uses of TEMPLE COLLEGE PREPARATORY SCHOOL technology equipment.

Students and other users access a computer with unique network accounts or ID and passwords. **ID and passwords must never be shared.** The person in whose name a network account is issued is responsible at all times for its proper use.

## Plagiarism

Credit should always be given to the person who created the words or ideas. Contact the school media specialist for more details. Unless it is otherwise stated, assume that all materials on the Internet, including web sites and graphics, are copyrighted, and that existing **copyright guidelines**, such as those involving photocopying, electronic copying, multimedia and fair use, apply. Students using computers and the Internet should be aware of what is and is not allowed as it pertains to software, multimedia productions, and web publishing. Contact the school media specialist for more details.

## Appropriate Behavior

Students are responsible for appropriate behavior when using TEMPLE COLLEGE PREPARATORY SCHOOL computers, electronic equipment, network and the Internet, just as they are in classrooms, school premises and at school-sponsored events.
